

**ESSEC Business School in Paris invites applications for  
a full-time faculty position at the Associate Professor level**

The Department of Economics of ESSEC Business School invites applications for a full-time Associate Professor position in its Paris campus, in the field of Environmental Economics, starting September 2023.

Candidates should have an excellent research and teaching record, and ideally a taste for addressing public policy issues.

ESSEC is a leading European business school with campuses in the Paris metropolitan area, in Singapore, and in Rabat. It offers mostly graduate level education (including a Ph.D. program in Economics). Financial Times ranks ESSEC's "Grande Ecole" program 6th best Master in Management worldwide in 2022.

English is the working language in the department. Knowledge of French is not required.

Applicants should upload their applications (including a cover letter, a resume, and up to three research papers, in PDF format) on the AEA JOE Network [www.aeaweb.org/joe](http://www.aeaweb.org/joe) before November 25th, 2022. They should also arrange for three letters of recommendation to be uploaded on the same website. Short listed candidates will be interviewed (online) in early January. For questions, please send an e-mail to [santacreuvasut@essec.edu](mailto:santacreuvasut@essec.edu) with the subject line *Associate Professor Position*.
